

## Meeting of One

Many Beacons have meetings with a plentiful response to their invitation; yet there are also some who do not have that same response. Some may live where no one seems interested in learning about the wisdom of the Grandmothers. However, the Meeting of One has been recognized as a very potent and meaningful way of communing with the Grandmothers.

So, how does one hold a "Meeting of One?" The same as with any meeting, publish it on the schedule (on the Net of Light Website), prepare for it, and hold space whether anyone shows up or not. Sharon reminds us that even when it is a Meeting of One, there are at least 13 present: you and the 12 Grandmothers.

Sharon says,

If you are holding a Meeting of One it is because the Grandmothers want very much for you to develop a relationship with them and they with you. They love you deeply and want deep, intimate contact with you. This kind of contact is hard to have with them when your focus is outward and you are running a meeting for others. So if you are a Meeting of One, it is by their grace. Please enjoy the blessing you are receiving.

Those who are making this commitment share the joy they feel during this time. Many comment that it is a very powerful time. Many feel a personal growth along with a strengthening of their connection with the Grandmothers.

Let us know if a "Meeting of One" is something you want to do. We are thankful for all that you do to share the Grandmothers message in your everyday life.
